

**Legend**

-  Substation
-  Blue Route
-  Orange Route
-  Green Route
-  Purple Route
-  Yellow Route
-  Red Route
-  Pink Route
-  Township Boundary

*\*Disclaimer - The route options and proposed substation location are preliminary and subject to change. Routes shown in shared corridors have been graphically offset to improve readability. The lines are not intended to depict the precise geographic location of the routes or scale. Rather, paralleled routes are intended to depict routes with common segments in a geographic corridor and are paralleled for illustrative purposes only.\**
